NEIGHBORHOOD NEWSLETTER

August 2026

A NOTE FROM THE NEIGHBORHOOD BOARD

First, we want to give a huge thank you to our board president, Tanya Orlopp, who is stepping away from her role after 10 years of service. We're so grateful for all the time and energy she has poured into our neighborhood over the years. We wish her all the best!

As we look ahead to the next chapter, we'd love to welcome some new faces to the board. There are lots of ways to get involved. See more details on the back.

We also want to apologize for not sticking to every event on the calendar we shared earlier this year. Life got busy, and with a small board and limited budget, we weren't able to make everything happen. Thank you for your patience and understanding! We're excited to bring some neighborhood fun back to the calendar this fall.

Currently, fewer than 35% of households contribute dues. To help cover neighborhood upkeep and expenses, **annual dues will increase to \$100** for the September–September cycle. You can also support the neighborhood by volunteering your time or donating materials. Learn more about how dues are used at our September annual meeting.
